

Settlement of Andreas Flickner

Arlo Flickner went to the court house and made a copy of the original records of settlements in the Mc Pherson County that shows "Andreas Flickner and Wife". It is thought the 80 acre plot on the Turkey Creek map marked "A Flickner" in the upper right quadrant was the original homestead of Andreas and Anna Flickner. Arlo submitted these records to be published as a part of the book. Anyone interested can go to the court house and look at the abstracts referenced by book and page in these documents.
